

1. How do I apply for a Water Reconnection?

You must complete an application form for a Water Reconnection.
You must also complete an application form for a Road Opening Licence.
These forms can be obtained from:

- a) Cork City Council website
www.corkcity.ie
- b) Water Service Section
Tel: 021 4924178 or 021 4924145
- c) Reception Desk
City Hall
Cork.

2. Is there a cost for a Water Reconnection?

Yes, the schedule of charges are as follows:

Working Hours	Reconnection Fee 1/2" & 3/4"	Reconnection Fee 1" or above
Mon-Thurs 9am-5pm Fri 9am-3.30pm	€395	Per quotation
Outside the above hours	€790	Per quotation

3. What work do I need to do?

It is the applicant's responsibility to expose the water mains prior to the arrival of Cork City Council staff.

4. Are there any other additional charges that may occur?

A Road Opening Licence will be required for all excavations of the public ground. There is an additional charge for this. The guidelines for obtaining a Road Opening Licence are attached.

5. How do I find out the location of the water mains?

You can arrange an appointment to view the record drawings by contacting our technician at Tel: 021 – 4924290.

6. What happens when I complete the application form?

You can return the completed application form for a Water Reconnection, the relevant application form for a Road Opening Licence and fees to the Reception Desk, City Hall or post to the Water Services Section, City Hall, Cork.

Your application for a Road Opening Licence will be forwarded to the Roads Control Division who will contact you re: same in due course. Work will not be carried out until a Road Opening licence has been obtained.

NOTE: Your application form for a Water Reconnection will not be accepted unless an application for a Road Opening Licence is attached.

7. How will I know when work will commence?

Once you have obtained a Road Opening Licence, you will receive written confirmation from the Water Services Section of the date & time of when the water reconnection will be carried out.

8. What happens when the water reconnection is completed?

It is the applicant's responsibility to permanently reinstate the road that was excavated to the satisfaction of Cork City Council.
