

Collection of Your Household Dry Recyclables

Cork City Council provides a service for the recycling of household dry recyclables. These are collected from households once a fortnight on the same day, but not necessarily at the same time, as the normal refuse collection.

Households whose domestic refuse accounts are in order have been provided with clear plastic bags into which the following may be placed:

- Clean Mixed Paper, Newspapers, Magazines and Brochures
- Clean Cardboard
- Washed Drink Cans (Aluminium)
- Washed Food Cans (Steel)
- Washed Tetrapaks (Milk & Juice Cartons)
- Washed Plastic Bottles / Containers

The bags should be presented for collection every second week by 7.00 a.m. on the morning of collection

For further information on this service, please contact the Environment Section at:
