### BEFORE FILLING OUT THIS FORM PLEASE NOTE THE FOLLOWING:

#### STANDARD PLANNING APPLICATION FORM AND ACCOMPANYING DOCUMENTATION:

*Please ensure that each section of this application form is fully completed and signed. The applicant should enter n/a (not applicable) where appropriate.*

*Please ensure that all necessary documentation is attached to your application form.*

Failure to complete this form or attach the necessary documentation, or the submission of incorrect information or omission of required information will lead to the invalidation of your application.

#### ADDITIONAL INFORMATION

*It should be noted that each planning authority has its own development plan, which sets out local development policies and objectives for its own area. The authority may therefore need supplementary information (i.e. other than that required in this form) in order to determine whether the application conforms with the development plan and may request this on a supplementary application form.*

*Failure to supply the supplementary information will not invalidate your planning application. However, if it is not supplied, the planning authority may not be able to reach a decision on whether or not to grant permission on the basis of the information available to it. Therefore failure to supply this information could delay the decision on an application or lead to a refusal of permission.*

*Applicants should therefore contact the relevant planning authority to determine what local policies and objectives would apply to the development proposed and whether additional information is required.*

### DATA PROTECTION

The planning process is an open and public one. In that context, all planning applications are made available for public inspection and Cork City Council publishes weekly lists of planning applications received and decisions made. This information is also placed on our website.

It has come to our attention that the publication of planning applications by planning authorities can lead to applicants being targeted by persons in the business sector engaged in direct marketing. In response to a request from the Data Protection Commissioner, you are hereby given an opportunity to indicate a preference with regard to the receipt of direct marketing arising from the lodging of a planning application. Direct marketing may be by post, by telephone, by hand or by e-mail or text message.

**If you are satisfied to receive direct marketing please tick this box.**

**N.B.** It is the responsibility of those entities wishing to use the personal data on planning applications and decisions lists for direct marketing purposes to be satisfied that they may do so legitimately under the requirements of the Data Protection Acts 1988 & 2003 taking account of the preference outlined above.
