

ON THE PUBLIC ROAD/FOOTPATH.

Introduction

The placement of furniture on the street, especially pedestrianised streets, fronting restaurants and public houses can enhance the ambience and atmosphere of the streetscape of a modern European City like Cork. It can enable businesses to improve services to their customers, and generate additional revenues. However, responsibilities to road users must not be forgotten. Control is necessary to ensure that unnecessary restriction is not caused, that access for emergency services such as the Fire Brigade and Ambulance is not impeded and that hazards are not posed to pedestrians from any type of obstruction, spillage or overturning. To enable necessary controls to be implemented, Cork City Council has now put in place a licensing system for the placement of tables and chairs on city streets.

Before a Licence is applied for:

Before you apply for a licence, please read the General Licence Conditions for Tables and Chairs on Public Roads/Footpaths enclosed. Transportation Division, following consultation with An Garda Síochána and the Fire Department, will decide on the area where tables and chairs may be placed. As a general guide a minimum of 1.80m footpath clearance shall be required in front of the licenced area and in pedestrianised streets a continuous channel of at least 3 metres in width is required. This is to facilitate visually impaired persons, wheelchair users, etc. Please remember if a licence is granted, this licence will only remain in effect for one calendar year from the 1st. of January to the 31st. of December of that year.

Licence Application Procedure:

Licence application forms for tables and chairs on the public Road/Footpath may be obtained from the Reception Desk City Hall or by post from Room 335 City Hall (Telephone 021 4924330) or Cork City Council's website at www.corkcity.ie. All application forms must be accompanied by an accurate dimensioned drawing of the area to be licensed showing the proposed number of tables and chairs, the types of tables, chairs and removable barrier to be used together with all statutory services in the area and obstructions. The Applicant must provide evidence of Employer's and Public Liability Insurance cover for limits of not less than €13 million and €6.5 million respectively in respect of legal liability for bodily injury or third party property damage claims arising in connection with the activities, the subject of this application, for the duration of the licence period. **These policies must be extended to indemnify Cork City Council.** Cork City Council reserves the right to review this limit of indemnity for adequacy. The insurance policy shall be submitted for inspection before the Licence will be issued. The licensee is required to maintain a valid policy for the duration of the licence period.

Completed Application Forms, Drawing(s), Insurance Declaration and Insurance Policy Details should be returned directly to the Reception Desk, City Hall or posted to Room 335, City Hall, Cork together with a non-refundable Administration Fee of €110.

Business premises are not entitled to place tables, chairs, on the public footpath or street until a licence is granted.

Successful applicants will be required to pay a Licence Fee of €125 per table for an area enclosed by a removable barrier. All fees must be paid by the applicant at the time of issue of the Licence.

Non Compliance with the Licensing Procedure:

Under Section 71 of the 1993 Roads Act any person who without lawful authority or the consent of a Roads Authority erects, places or retains on a public road any structure or thing used for the purpose of advertising, the sale of goods, the provision of services or other similar purpose shall be guilty of an offence. **Such an offence is subject to summary prosecution in the District Court and on conviction, to a fine not exceeding €1270, or at the discretion of the Court to a term of imprisonment not exceeding six months or to both such a fine and imprisonment.**

Cork City Council expects that business premises will comply voluntarily with the licensing procedure as it now exists.
